New York Litigation Attorneys

At Carter Conboy, we recognize that litigation claims often involve a great deal more than financial gain or loss. Your hard-earned reputation, business, and livelihood are at risk. Our clients trust us to stand by their side and deliver aggressive, effective representation.

While our founding fathers laid the foundation for our firm and our litigation practice, it is our current preeminent litigation team that continues to deliver results. Our attorneys provide experience, industry knowledge, and proven results from all sides of the table - from our accomplished attorneys, to our former prosecutors, to our retired trial and appellate judges.

We work closely with our clients to provide strategic and thoughtful representation through discovery and depositions, motion and appellate practice, and trial practice, as well as using practical settlement negotiations, mediation, and arbitration to serve our clients' best interests.
